Independence Day Celebrated at KPT

The Independence Day celebrations in KPT Head Office, East Wharf, West Wharf and on vessels inside the Karachi Port harbour started with the beguile blowing for two minutes, from 8:58 – 9:00 am; and eventually followed by the flag hoisting at KPT Head Office by the, chief guest, Chairman KPT, Vice Admiral (R) Shafqat Jawed HI (M) on 14th August 2015.

The, Chairman KPT Vice Admiral (R) Shafqat Jawed, took the guard of honour from neatly dressed battalions of Port Security Force, Port Civil Defence, Port Fire Service, Traffic Department of the port, Marine Apprentices (A&B) and Karachi Sea Scouts. Sindh Police Band was also present on the occasion to facilitate the proceedings. President's order of the day was read out on the occasion.

Later, the chief guest distributed prizes to the best employees of KPT for the Calendar year 2014. Sweets were also distributed to patients in KPT hospital and to the guards deployed for duty on the day as part of mutual sharing of happiness with them. In addition to this, the Port Fountain also remained functional for an hour, between 7:30 pm to 8:30 pm, as part of Independence Day celebrations.

50th Defence Day Celebrations

*L*iving Nations remember their martyrs and apprise the coming generations about their sacrifices and achievements.” This was stated by the Federal Minister for Ports & Shipping Senator Kamran Michael on Saturday, the 5th September 2015. He was speaking on the occasion of a ceremony to mark the 50th Defence Day of Pakistan. A colorful function in this regard was held under the auspices of the Karachi Port Trust. The Minister said that in the wake of aggression by India in September

1965, our valiant armed forces gave a befitting reply and defended the frontiers of the country. Federal Minister Senator Kamran Michael said that to pay tributes to our Shaheeds and Ghazis we are celebrating the 50th Defence Day of Pakistan.

The Chairman KPT Vice Admiral (R) Shafqat Jawed said that during the 1965 war, the KPT provided logistics support to the Pakistan Navy and the channel was devoted for the Pakistan Navy fleet. Chairman KPT also said

that KPT ensured timely provision of water, fuel and other facilities to the armed forces of Pakistan during war. Meanwhile, at the ceremony, national songs were presented by famous singers i.e. Shazia Khushk, Ahmed Jahanzeb, Safdar Zia and Naeem Abbas Rufi. There was also a display of fireworks at midnight. A minute's silence was also observed to pay homage to the martyrs of the 1965 war.

Federal Minister, Secretary P&S alongwith Chairman KPT Paid Tribute to the Father of The Nation

Minister for Ports & Shipping Senator Kamran Michael, Secretary P&S Mr. Khalid Pervaiz alongwith Chairman KPT Vice Admiral (R) Shafqat Jawed HI(M) visited Quaid-e-Azam Mausoleum and paid homage to the father of the Nation and offered special prayers for Quaid-e-Azam on the occasion of 50th Defence Day celebrations

KPT Sponsors Minorities to Visit Sacred Places

The Federal Minister for Ports and Shipping Senator Kamran Michael has set forth a tradition that will allow the minorities to visit their sacred places. He performed the balloting for minorities to visit their sacred places and highlighted that the credit goes to the Prime Minister Mian Muhammad Nawaz Sharif and his vision of availability of equal rights and opportunities to all the sects living in Pakistan. He said that it was a promise made by Prime Minister Nawaz Sharif to protect the rights of minorities for which he could do anything to provide better conditions to the minorities of Pakistan.

The Minister Kamran Michael said that minorities in KPT are given for the first

time an opportunity to perform pilgrimage of their sacred places and that it was their demand in the recently announced Charter of Demand of KPT CBA. He congratulated the three "3" pilgrims for wining visit of sacred places in Italy (Vatican City) and India. It is a landmark occasion to announce Mr Mushtaque Masih (Engineering Department) for the visit of Vatican City Italy; Mr Poonam Kumar (Engineering Department) and Mr Chaman Kaanji (Medical Department) of the Hindu Community for the visit of sacred place in India through KPT financing for the very first time in the history of KPT. He termed the initiative as true indicator of equality of rights that prevails in the biggest port of the

Federal Minister for Ports & Shipping Senator Kamran Michael Announced the Charter of Demand of KPT Employees

The Federal Minister for Ports and Shipping Senator Kamran Michael announced the Charter of Demand at a large gathering of KPT Employees in KPT Head Office on 20th August 2015. Salaries of KPT Employees are raised after every two years through a Charter of Demand. The period covered under the announced Charter of Demand is from 1st April 2014 to 30th March 2016. The new CBA "KPT Workers Union" presented this Charter of Demand to KPT Management. While speaking on the occasion, the Minister Kamran Michael stressed upon making the organization more profitable. He said that he is happy to see the organization on the right track and referring to statistics he pointed out

that record cargo handling has taken place in KPT last year when it broke its previous records to register a handling of 43.42 million tonnes cargo. The Minister said that cargo handling of KPT in the first two months of this financial year (i.e. July – August 2015) remained at 6.730 million tonnes as compared to the corresponding period of last year when the port recorded handling of 5.488 million tonnes. Hence, shows an increase of 22.64% more cargo this year while handling 1.242 million tonnes more cargo, he added. The Minister Kamran Michael stressed on having further improvements in performance and said that KPT is capable of handling enormous cargoes at its berths and

handling 253 ships in the first two months of this financial year is a significant proof of your capabilities as in the corresponding period of last year

ship handling remained at 216. He concluded while underlining the importance of ports and said that KPT plays a vital role in economic growth of Pakistan.

World Maritime Day Celebrations

National Centre of Maritime Policy Research (NCMPR), of Bahria University celebrated World Maritime Day at Karachi Campus on 21st September 2015. By taking advantage of this important day for creating public awareness, NCMPR organized a Maritime discourse on the theme "Maritime Trade & economy of Pakistan". Federal Minister for Ports & Shipping Senator Kamran Michael graced the occasion as Chief Guest.

Director General NCMPR, Vice Admiral Syed Khawar Ali HI(M) thanked the worthy sponsors and participants of the event. Prominent dignitaries from trade and industry, stakeholders from maritime sector, naval officers, intellectuals, researchers and students were present during this significant gathering.

KPT Participated in the World Maritime Day at Maritime Museum

Karachi Port Trust participated in the World Maritime Day event held at Maritime Museum in great fervour through a stall displaying various models of KPT flotilla on 21st September 2015. To add more colours within the KPT stall, few games were kept for the visiting students of various schools and colleges and KPT distributed give aways on the occasion which made the whole event attractive and visitors took keen interest in facilities

offered at Karachi Port to the trade community of Pakistan. The PNS JAUHAR being the hosts on the occasion and have organized a musical gala to make the event a complete fanfare for the visitors as well as participants of the event. This event takes place every year and being part of World Maritime sector, the KPT also join hands with other stakeholders to commemorate the day in full passion and commitment.

Government Pledges to Improve Shipping Industry

Federal Minister for Ports & Shipping Senator Kamran Michael said that the government is aware of the issues confronting shipping logistics and supply chain industry and would ensure that all the stakeholders work in tandem.

Speaking as a chief guest at a conference in a local hotel on 19th August 2015, he said that the government has a vision to make the country economically strong by developing infrastructure and assured to take professional suggestions into account.

“Logistics role is crucial in trade and its efficiency directly affects the cost of doing business and end-product prices.” The minister said that the government is keen to accelerate the pace of growth and mentioned progress on China-Pakistan Economic Corridor and also pledged

to identify locations for setting up private warehouses and cold storage units at ports. He also mentioned that the new scanners are being installed at all ports to cut clearance time

Mr. Michael further informed that a European Union delegation is visiting Karachi Fisheries this month to clear five more companies for exports. EU lifted the ban on fish imports from Pakistan after seven years and cleared two companies in this regard three months back.

The minister said that speed boats for fast movement of perishable cargo from Karachi to Gulf countries are being arranged, which would help reduce freight cost without compromising on quality of goods like fresh vegetables and fruits. “These boats would reach Gulf ports within 20 to 30 hours”, he added.

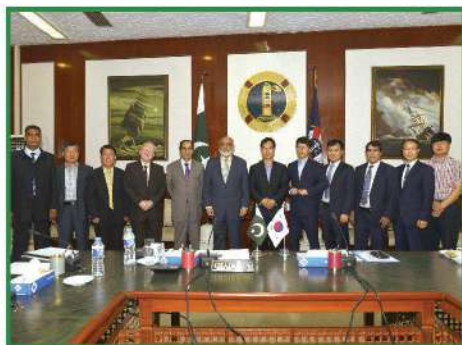

Korean Officials of Ministry of Ocean & Fisheries Visited Karachi Port

A high profile Korean delegation of Ministry of Oceans and Fisheries visited Karachi Port Trust on Monday, the 27th July 2015. The Korean delegation led by Director of Port Investment Cooperation Division, Mr Hi Young Lee, Deputy Director of Port

Investment Cooperation Division, Mr Kyuhwan Ko, Representative Director, IL JIN International Co. Ltd (Engineering Company), Mr Hwang Beom Ryu, President SEIL Engineering

Company, Mr Jumin Song, Director SEIL Engineering Company, Mr Youngkil Hyun, President GIA Company, Mr Kyu Sung Lee, President Madina Trading Co. Ltd, Mr Nawaz Jan Muhammad and Team Leader Korea Ports & Harbours Association, Mr Yongwong Kim and ex-Ambassador to South Korea Mr Shaukat Ali Mukadam. A presentation on latest development programme of KPT was given to Korean delegation followed by question and answer session. The Chairman KPT Vice Admiral (R) Shafqat Jawed HI(M) briefed the delegation about the cooperation that KPT is already enjoying from Korean Company i.e. M/s Ssangyong in the reconstruction of berths 15-17A at East Wharf. The delegation was informed of investment

prospects available in the establishment of Harbour Crossing Bridge Connectivity, Elevated Port Expressway, multipurpose Coal/Bulk Terminal, Cargo Terminal besides other future projects.

To improve professional skills in education/training sector both the parties agreed to carry out professional education and training in the field of Ports & Shipping to meet the future challenges.

The Korean delegation evinced keen interest in the ongoing and future development roadmap of KPT. Concluding, Chairman KPT Vice Admiral (R) Shafqat Jawed and Head of Korean Ministry of Ocean & Fisheries exchanged crests.

Ports & Shipping to meet the future challenges.

EHS Communications Policy Outline Presented to World Bank

Effective communication is an important part of the EHS Management System (EHS-MS). To develop this important document by looking at all the workings facets and aspects/incidents that could take place in Karachi Port Trust (KPT); and to establish communication avenue with the stakeholders and the port users as well as the general public, the following areas will be addressed in the document.

1. **Aspect / Incident Reporting** This is an important part of EHS Management System that is enforced in Karachi Port Trust. This is mutual handling function that will be handled by each department and take action at their respective levels as per the guidelines given in the EHS-MS.

2. **Formation of Communication Service Team** The purpose of the team will be to identify and plan for EHS-MS communication needs and to initiate action or provide assistance to ensure these needs are met. The document will give more details on it while focusing on communication plan, EHS related pages in Quarterly KPT Newsletter, placement of newsletter of KPT on KPT and EHS websites, various port oriented event management activities, etc, etc will be covered in detail.

3. **Communication Tools** A variety of tools will be made available to the EHS Office (MR / Dy. MR offices)

of KPT such as usage of EHS Website, EHS Office Intranet, EHS meetings for discussing emerging issues, EHS training, etc, etc will be given coverage in detail in the said policy document.

4. **Communication with stakeholders and regulatory authorities** This is a critical component that will accommodate and facilitate a two way communication between EHS-MS and the stakeholders / federal and local regulatory authorities with respect to day to day matters. This part of policy document will also cover visits by stakeholders to port area of KPT. Even the visit of regulatory authorities like Oil Spill Response teams will be handled through making the existing document EHS compliant according to given guidelines of EHS-MS.

5. **Community involvement and outreach** This part of the document will deal with developing communication and rapport with the general public will be taken care off. Tools like print publications and various talk shows be used to convey message to general public on issues of gross importance. Even supplements and promotional advertisements be planned while remaining in the purview of this part of the document. Various days like Earth Day, World Environment Day, World Maritime Day, etc, etc be planned while remaining within the guidelines of EHS-MS.

Achievement of Medical Department

First Corneal Transplant at KPT Hospital

It is a big moment and major milestone in the history of KPT Hospital, first corneal graft was successfully done by Eye Surgeon Muhammad Shafique Khan.

An eighty years old lady, Sarwari Begum, resident of Buffer Zone, Karachi was blind due to total corneal opacity since many years and was brought to KPT Hospital. After a thorough examination by the

dedicated team of specialists she was operated successfully. She is the first patient who underwent Corneal Transplant at KPT Hospital. The cornea donor is International Eye Bank of Srilanka.

The Surgery has completely changed eighty years old Sarwari's life and she has so much more to look forward to her life. Now according to Surgeon Muhammad Shafique Khan, the vision has completely restored.

This achievement is possible by the dedicated team of doctors and keen interest of the Chief Medical Officer, Dr. Azam Khawaja. The Eye Surgeon is ambitious to serve more and provide standard eye care to the KPT's employee and others

WE GO **DEEP** FOR SOLUTIONS!

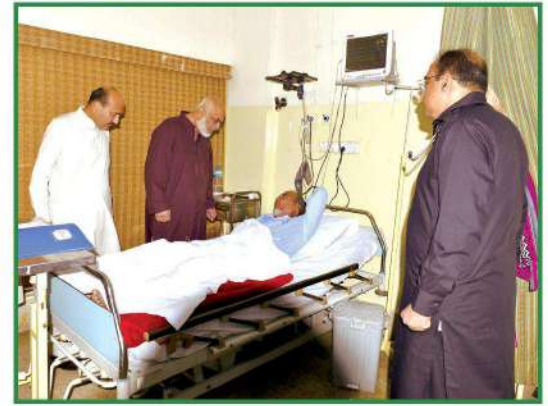

At KPT, we take time to understand the challenges to the environment. Continuing the tradition to constantly forge ahead, we are also firmly committed to develop innovative environmental friendly projects that'll not only preserve the environment but will also make Pakistan an economic superpower in the knowledge era.

KPT hosted Cruise Dinner for Pakistan Women Cricket Team

Consequent to a win of Pakistan Women Cricket team on 30th September 2015 match in Karachi, the women team is given a warm welcome by the Karachi Port Trust for cruise ride. It was an occasion of great fanfare as well as an occasion to cherish the victory of Pakistan team in style. Players of Pakistan team enjoyed the scenic beauty of the port which becomes more kaleidoscopic as the sun sets in west behind the famed Port Fountain and Manora Lighthouse as well as the dinner cuisine served on the occasion.

Safety Measures taken at Karachi Port Trust

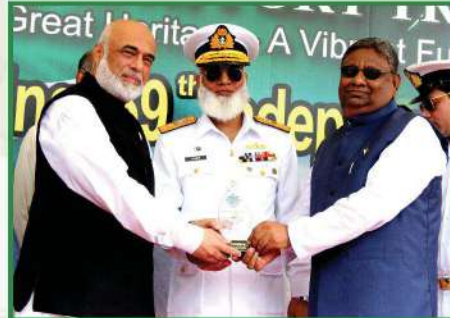

1. Pasting of reflectors on security barriers by Port Safety staff on berth 10-17 to avoid any accident at night.
2. During the Quarter (Jul-Sep 2015) Port Safety staff contribute in safe movement of coal / general cargo without any incident.
3. Quarterly safety meeting was held on 17th August 2015 for better coordination amongst the departments.
4. Wearing of helmet campaign in Port area is continue

Syed Jalaluddin Promoted as Project Engineer

Syed Jalaluddin joined KPT as Assistant Executive Engineer (BPS-17), in 1983 in Engineering Department, which is now known as Civil Works / Engineering Department. He got his Civil Engineering degree from N.E.D University of Engineering Technology in 1981. During his service in KPT, he was selected for a 2 years training course of Underwater Structure held in Netherland. On his return, he was promoted as Executive Engineer (South) (BPS-18). He has worked on various projects such as Rehabilitation of Manora Breakwater, Repair & Maintenance to Sheds, and Repair & Maintenance of Oil Installation at Keamari Groyne including Sheds and Roads, etc. In recognition of his meritorious service record and performance, KPT promoted him as Project Engineer (BPS-19) recently.

Mr. Kausar Ali gets promotion as Project Engineer

Mr. Kausar Ali joined KPT in 1996 as Executive Engineer (Civil) (BPS-18). He did his Bachelor in Civil Engineering from N.E.D University of Engineering Technology, Karachi, in 1984, Master of Science (M.S) in Civil Engineering from University of Oklahoma, USA and Master of Business Administration (MBA) from Hamdard University, Karachi in 2001. During his service in KPT he has worked on various key projects such as Pakistan Deep Water Container Port, Rehabilitation of Manora Dry Dock, Container Freight Station TPX Area, Construction of Overflow Plinth at M.I. Yard, Reconstruction of old bridge on Liyari River Maripur Road and Development and Rehabilitation of M.A. Jinnah Road. The performance of Mr. Kausar Ali has always remained remarkable and keeping in view his abilities, he was promoted as Project Engineer (BPS-19) recently.

Mr. Zubair Soomro Promoted as Executive Engineer

Mr. Zubair uddin Soomro, graduate Civil Engineer of NED University of Engineering & Technology Karachi, joined KPT in 2008 as Assistant Executive Engineer BPS-17 in Engineering Department. After joining, he was posted in Queen's Road Section (Lalazar) which is one of the most important and sensitive section of Engineering Department. Throughout his tenure he proved himself very devoted and hardworking. Keeping in view his noteworthy performance Mr. Zubair has been promoted as Executive Engineer (BPS-18). Presently he is performing duties as Executive Engineer (North) in Engineering Department.

"You did a great job. Indeed, a Huge Achievement"
