Senator Kamran Michael Minister for Ports & Shipping reviewed the Progress of KPT's Ongoing Projects

A high level meeting under the Chairmanship of Senator Kamran Michael, Minister for Ports & Shipping was held in KPT Head Office on 28th January 2015. It was also attended by Mr. Khalid Pervaiz, Secretary for Ports & Shipping. In which all the on-going projects came under discussion. During the meeting the Chairman KPT, Vice Admiral Shafqat Jawed, HI (M), briefed the Minister for Ports and Shipping Senator Kamran Michael, about the infrastructure and facilities available at port to facilitate port users as well as the projects initiated so far. The mega projects like Deep Water Container Port, Harbour Crossing Bridge and Cargo Village gaged more attraction of the Minister who also commended the Chairman KPT on timely completion of berth 10-14 and 15 to 17A reconstruction project.

The Minister for Ports and Shipping appreciated the Chairman KPT on initiating the project to upgrade facilities of the port according to EHS standards which will surely pave way for huge throughput of container freight at the deep water container port when its first phase becomes operational this calendar year. The Minister said during the meeting that such projects are the pillars of Pakistan and these will strengthen the

overall economy of the nation.

Later, the Minister for Ports & Shipping Senator Kamran Michael, Secretary for Ports and Shipping Mr. Khalid Pervez and Chairman KPT, Vice Admiral Shafqat Jawed took round of the port to observe on-going port operations and the work in progress at deep water

container port. The Minister was also shown the place of new turning basin and the newly constructed berths of the deep water container port which concluded the proceedings of the day.

visit of KPT by Chinese Expert Group on Long Term Plan China Pakistan Economic Corridor (CPEC)

A high profile 18 member Chinese Expert Group delegation headed by Mr. Hu Dongsheng Deputy Director General China Development Bank along with members of Department of International Corporation China, Chinese Ministry of Foreign Affairs, Chinese Ministry of Transport, Chinese Ministry of Agriculture, Chinese Ministry of Industry and Information Technology and Chinese Planning Research Institute for Machinery Industry arrived at Karachi Port on 9th March 2015 for a briefing about port activities. The delegation was given a complete briefing on management, administrative areas, functions and projects of KPT underway. The Chairman KPT Vice Admiral (Retd.) Shafqat Jawed HI (M) informed the delegates about the role KPT plays in trade and commerce. Being the premier port, Karachi Port has dredgers, flotilla crafts and complete infrastructure to facilitate port users. Recently, the port is dredged further to handle even 13 meters draught vessels said the Chairman KPT while briefing the delegation. The Chairman informed the delegation further that Karachi Port will soon become capable of handling bigger post PANAMAX mother vessels by the end of this year when the first phase of deep water container port attains completion and becomes fully operational.

Various projects came under discussion with respect to their utility for the port to have such capital intensive projects. The Chairman KPT also briefed the delegates on the new deep water container port which is scheduled to become functional by the end of this year. the Chairman

KPT informed the delegation that the new port will open new avenues for trade and commerce for Pakistan and pave way for the port to become transshipment hub of the region. The Chairman KPT termed the decision of developing deep water container port as timely as the Karachi Port is strategically located well set to cash on the change that has taken place due to shift over of world economy towards Asia.

The delegation was informed that there are a lot of Chinese companies are working in Development projects of Karachi Port. Chairman KPT thanks the Chinese companies for taking part in the development of Karachi Port.

The Chinese delegation took special interest in the construction of Elevated Expressway Project. The project is initiated to address the traffic forecasts and congestion at the port,. In this regard a 4 & 6 lane elevated port expressway shall be constructed up to gate No1 of KPT and Northern by pass, over china creek and along Mauripur road. The elevated Expressway would facilitate the Coal Yard, Pakistan Deep Water, East and West wharves.

The Chinese delegation appreciated the capacity building programmes and the progress on impending deep water container port which will enable the port to handle post PANAMAX mother vessels. Projects like cable Stay Bridge that will provide connectivity of port with cargo village, northern bypass, and Lyari Express Way; and would make the port capable of handling cargo of national as well as transit trade, were also discussed.

The delegation was later taken for a harbour cruise for better understanding of the projects of KPT.

Garden Party
Held at
DC Bungalow,
Manora

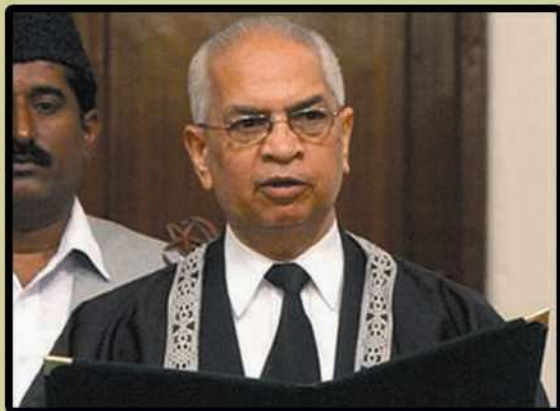

The serenity prevailing at DC Bungalow rest house, Manora, jerked back to life through arrangements made on 14th February 2015 to welcome dignitaries and high profile guests at the Garden Party organized by Karachi Port Trust (KPT) at the DC Bungalow located within the outskirts of Manora Lighthouse. It was a well lit up arrangement made at the DC Bungalow Manora with equally beautiful décor where guests were properly entertained and shown premises of Manora Lighthouse which remained focus of attention for many guests that arrived at DC Bungalow for the Hi Tea programme and jovial evening. Guests including Ambassadors, Consul Generals, Heads of multinational companies and armed forces were present on occasion which added more colours to the gleaming event. It was an occasion celebrated in great fervour to salute the efforts made by KPT which enabled the DC Bungalow to secure third prize in the Rest House Category during the Annual Flower Show event organized by the Horticultural Society of Pakistan. Besides this, the Port House has also participated in the Official Residence Category and secured second position in the event.

The DC Bungalow and the Lighthouse has their own presence on the occasion giving out feel of being part of a mammoth and rich history of the port of Karachi which came into being through an Act of 1886. It was a place enrich with historical background lurking in the minds of many on the occasion that how the port got developed in facets; and even reminds of how Muslims came in the subcontinent and the British rule under which it got developed. The impact it has on guests was so enormous that it silhouetted them with inspiration to witness the functioning of the historical lighthouse that had guided umpteen vessels for more than a century period since its existence.

Mr. Arbab Anas Promoted as Manager Human Resource (BPS-19)

Mr. Arbab Anas Joined KPT in 1989 as Programmer (BPS-17) in MIS Department. According to his work efficiency he was transferred to Human Resource department as Assistant Manager (HR) in 2002. His performance was always remarkable as he is a keen learner and keeping in view his abilities he was then promoted as Deputy Manager Human Resource (BPS-18) on 20-04-2009 and after relentlessly working for 7 years, he was promoted as Manager Human Resource (BPS-19) on 08-01-2015. He truly deserves this promotion. His promotion and successful career are an example for all of us to emulate.

Mrs. Ghazala Shahbaz gets promotion as Manager Archives & Library (BPS-19)

Mrs. Ghazala Shahbaz joined KPT as a Librarian (BPS-17) in 1983. After joining KPT, she made her contribution on various platforms. When she started working, KPT Library was newly established. She worked tirelessly to bring it to a level where KPT library now exists amongst the best reference library of Government / autonomous Semi-Government organizations. Due to her performance she was promoted in BPS-18 on 2007. During her tenure, she attended various management related courses from reputable institutions like NIPA, PIMS, MAP and gained a wide knowledge of management tools, techniques and practices.

In recognition of her meritorious service record and performance, KPT promoted her as Manager Archives & Library (BPS-19) in January 2015.

Newsletter team wishes them all the best.

Referendum for CBA

In pursuance to the decision of High Court of Sindh, dated 20th February 2015, the Registrar of Trade Union conducted elections in KPT on 19th March 2015 in which all the registered unions have participated which the KPT Workers Union has won while bagging 2046 votes. The Registrar of Trade Union has issued CBA Certificate No. 371 to KPT Workers Union to operate as CBA for a period of two years with effect from 19th March 2015. The certificate will remain valid till 18th March 2017.

The KPT Workers Union and other Unions of KPT challenged the status of the then CBA on 26th May 2013 under section 22(2) of SIRA 2013 resulting in referendum which later got stymied via lodging of appeal before honourable High Court of Sindh. The said appeal was repealed later by honourable court of law which paved way CBA referendum in KPT.

"ماں"

اک ہستی ایسی جو بنا مانگے دے
پیار بھی دعاؤں کے ساتھ دے

جان مانگو تو بلا بھجک مل جائے
فنا ہو کے بھی اپنا ساتھ جو دے

جان پر کھیل کر جنم جو دے ٹھکو
آنکھ کھولیں تو صرف پیار ہی دے

اپنی خوشی کو قربان جو کر دے پھر
بہری خوشی کو اپنی خوشی جو دے

خدا کی قدرت بھی دیکھ لو انسان
تشبیہ خود کو بھی جو ماں کی دے

جنت کہاں ہے کس نے دیکھی ہے
پاؤں کے نیچے ہے تلاش کر جو دے

ستانا کبھی نہ اپنی ماں کو سبیل
خدا کو پانا ہے تو آپ کو ماں کر دے
